## Round 2 Results – top 20 advance to Round 3

Posted 9 June, 2017

### Cisco Networking Academy NetRiders Europe, Russian Federation and CIS 2017 CCNA Competition

Below are the NetRiders CCNA Round 2 Rankings. The top 20 competitors are invited to advance to Round 3 in September 2017.

All Round 3 competitors will be sent an email by Tuesday, 13 June, to arrange their time for their WebEx video session in September. If a top 20 competitor is unable to participate in Round 3, the next highest score will be invited to replace that competitor in Round 3. The top 2 ranks in Round 3 will win a Study Trip Prize to Cisco Headquarters and the top 5 will win a CCNA or CCNA Security certification voucher.

Congratulations to all Round 2 competitors. Overall, the scores were very good and fractions of a point separated many of the rankings. As a reminder, our global NetRiders policy is to only share rankings. We do not share scores with competitors or instructors. But, all Round 2 competitors should feel very good about their accomplishment in Round 2.

According to the rules, the top 20 scores from Round 2 (minimum 70% score) advance to the final Round 3. For more details on all the rules for this competition, as well as the frequently asked questions, please visit the Europe, Russian Federation and CIS page on <http://www.AcademyNetRiders.com>.

This list is rank order for all Round 2 competitors. The top 20 advance to Round 3.
